Subject: Request to Submit Interior Design Project(s) for the IAB Interior Design Awards (IIDA) 2023.

Dear Colleagues,

Greetings from the Institute of Architects Bangladesh (IAB)!

IAB is pleased to introduce the first cycle of IAB Interior Design Award (IIDA) from this year, 2023 and now opened for the submission.

Interior designs have been a major field of design services provided by the IAB members in the country. But till now there has been no platform to recognize the outstanding interior design projects. Therefore, IAB is establishing the first professional interior design Awards in the name and style of IAB Interior Design Awards or IID Awards to recognize their designs. The IIDA is going to be the most prestigious professional interior design award of the country, which will be given every two years. IIDA program enables promotion and recognition of excellence in interior designs across Bangladesh by the members of IAB.

The aims of the IIDA are manifold; the first & foremost being to recognize the outstanding interior design projects and furniture designs of the Members of the Institute of Architects Bangladesh (IAB). Secondly, to develop public awareness and create positive understanding in the society, regarding the importance and the value of good design. Another important aspect of this award program is to encourage architects to strive for excellence in interior design and thereby promote the advancement of interior design and furniture design in the country.

The Honorable Members of the Jury Boards of IIDA 2023 are:
